TADA

What do I do...
It's almost time to hand it in...

I'll just look around all the clubs first!
STANDS UP

Hiking Club
There's no other club that takes care of our health like us!
We go hiking every weekend!

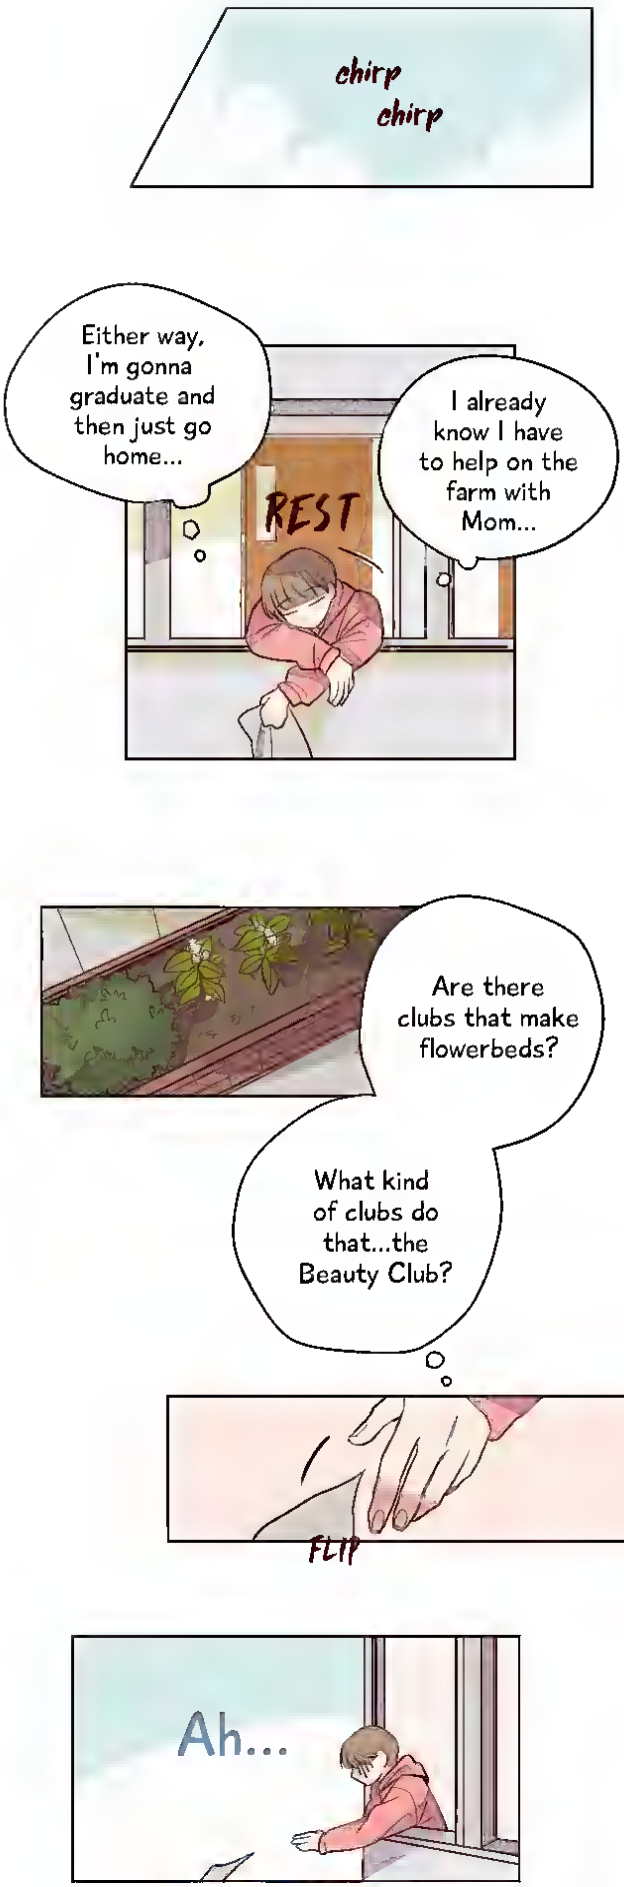
Reading Club
Just read a book you want.
But you have to turn in a book report about it.

Band Club
Let's go perform!!!

So...
So tiring...!!!

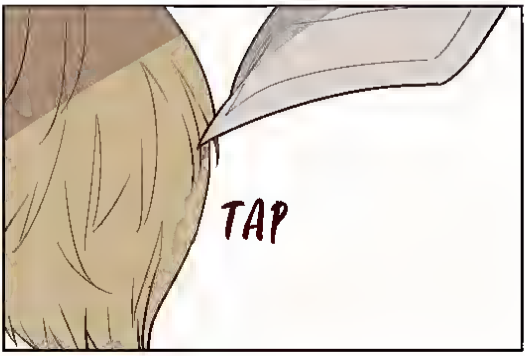
I have to put in so much effort for each group~!

SIGH
The weather's good today.



chirp
chirp
Either way, I'm gonna graduate and then just go home...
I already know I have to help on the farm with Mom...
REST
Are there clubs that make flowerbeds?
What kind of clubs do that...the Beauty Club?
FLIP
Ah...

No... this is the 2nd floor...



TAP

?

OMG I'm so sorry!!

It's fine~

Susu!

Huh?

You still didn't decide on a club? Tomorrow's the deadline, though.

If you're not gonna write it for me then be quiet.

Did you look at our club? I'm on my way to the clubroom right now.

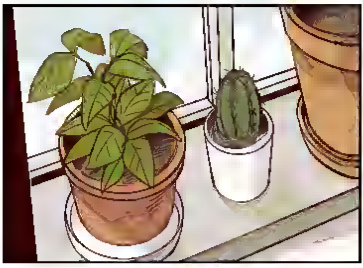
You've already decided?

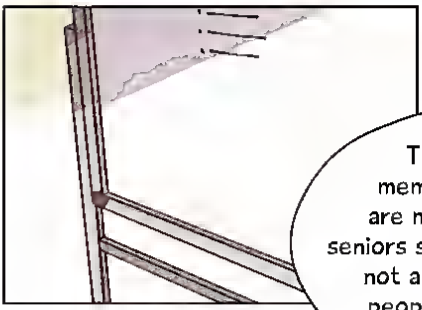
?

What club is it?

...A club that I think you'll really like.

The gardening club.





The members are mostly seniors so there's not a lot of people who come.

All you do is...

Water the plants,

And change the pots inside the clubroom.

You're supposed to write a daily log on what happens, but the Prez is doing that, so...

I'll join.

IMMEDIATE ANSWER

Kekekekekeke isn't that a bit too quick?

To check your paper, the Prez has to do that, so not right now.

The Prez? So when?

I don't know... I think around lunchtime, maybe...

But firstly, he's one of the members.

Song Min Jun. He's in the same class as me.

Hi~

Hi
Sorry about last time...Then are the only newbies just us?

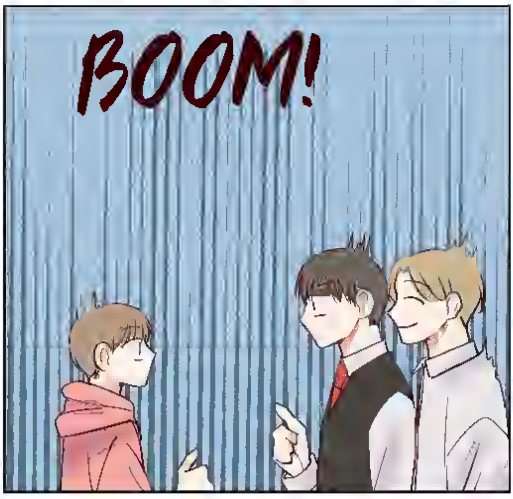
Probably?

It's okay

Whoa..this is like, so perfect for me.

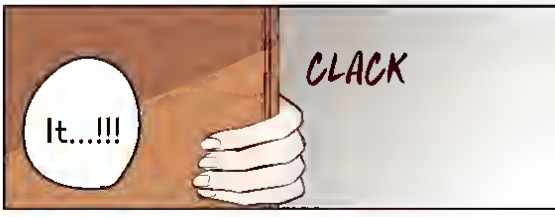
Right. It's awesome.

THUMBS UP



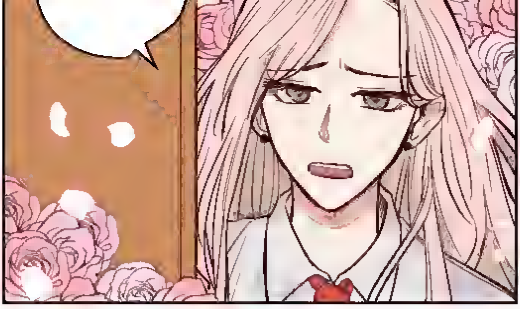
BOOM!

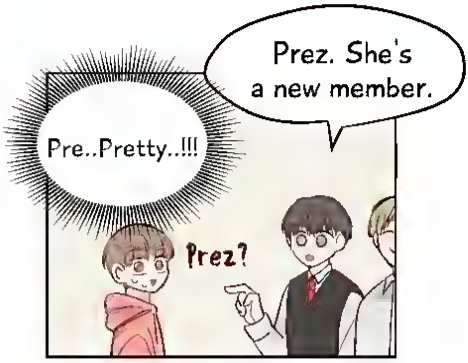
?



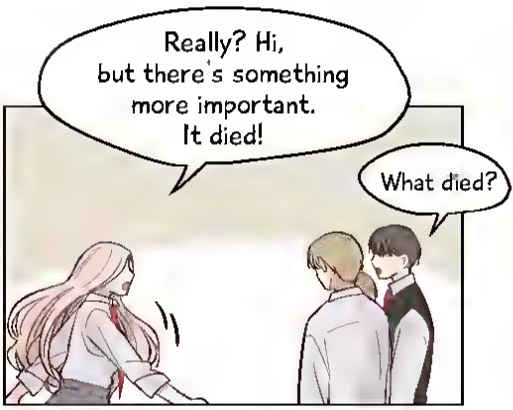
It...!!!
CLACK

It died...





Prez. She's a new member.
Pre..Pretty..!!!
Prez?



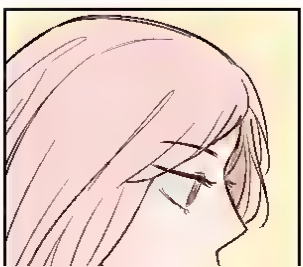
Really? Hi, but there's something more important. It died!
What died?

The one that I was growing so hard for...
The worm.

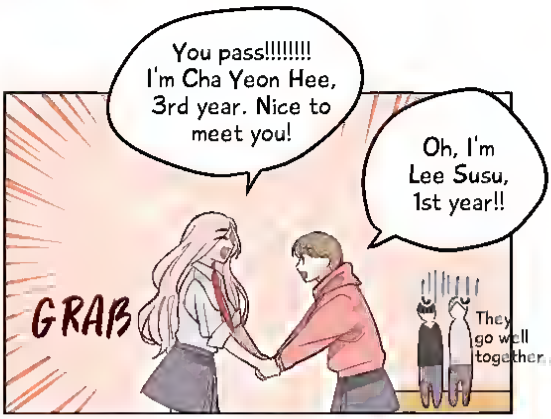
AHH!!!
Shiii- what the fff!!! My god!!!
Don't show that to me!!!

I think it got stepped on.
Huh? You're not surprised?

I was never scared of bugs since I was a little kid.



...



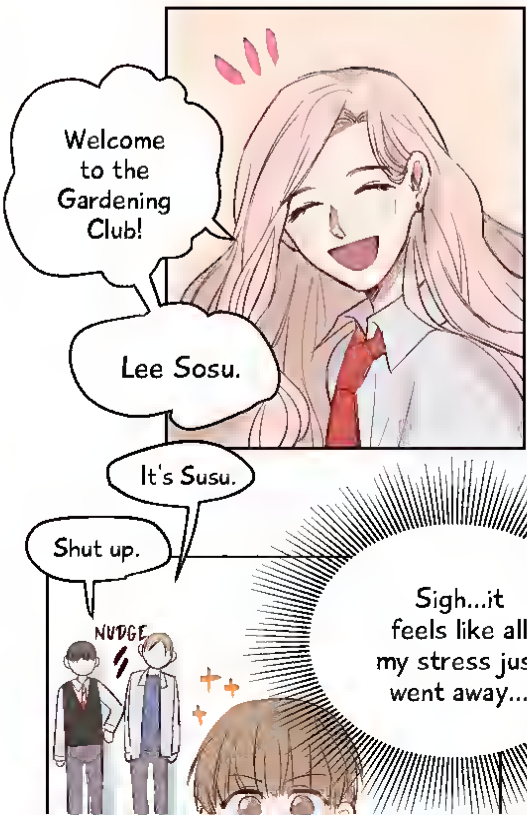
You pass!!!!!!!!
I'm Cha Yeon Hee, 3rd year. Nice to meet you!
Oh, I'm Lee Susu, 1st year!!
GRAB
They go well together.

?
But I heard 3rd years had to study...

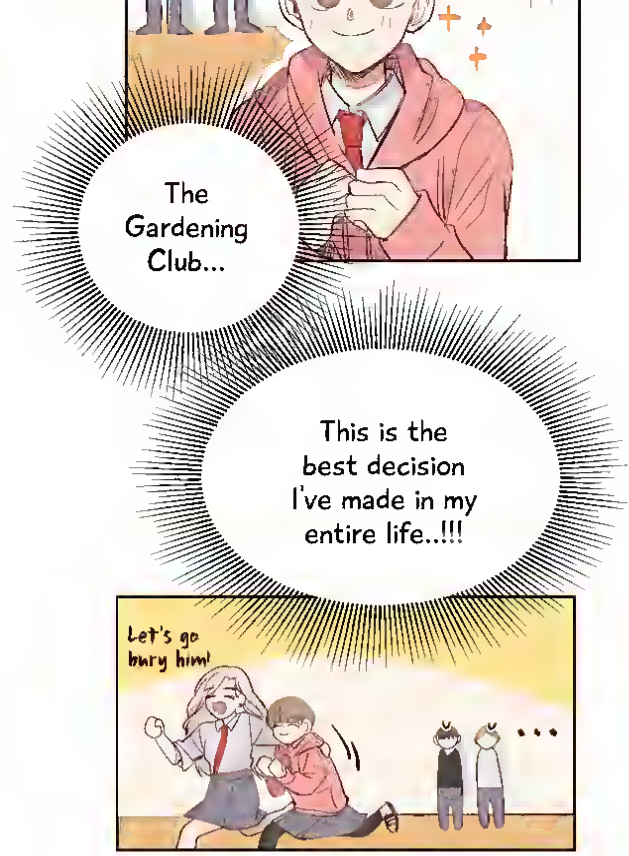
Ah,
Well!
I'm sick and tired of this boring education,
And of the pressure for 3rd years to study!
So I'm here to get out of that miserable hell..!
So you're just messing around now
Shut up

Oh!

Our family owns a farm! When I graduate, my dream is to become a farmer!
Really? You really came to the right place!



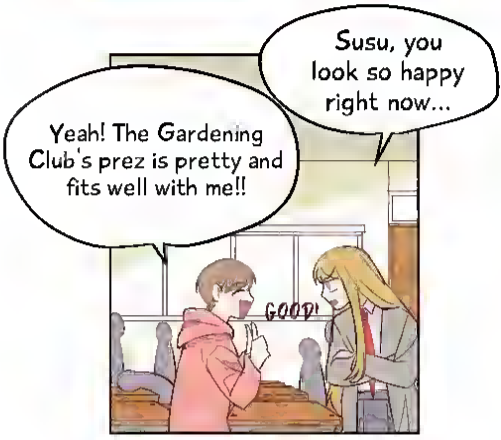
Welcome to the Gardening Club!
Lee Sosu.
It's Susu.
Shut up.
NUDGE
Sigh...it feels like all my stress just went away...



The Gardening Club...
This is the best decision I've made in my entire life..!!!
Let's go bury him!
...

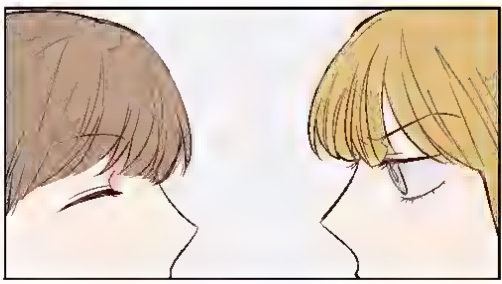
You two
are in the same club?

Yeah!!
Well...I guess.

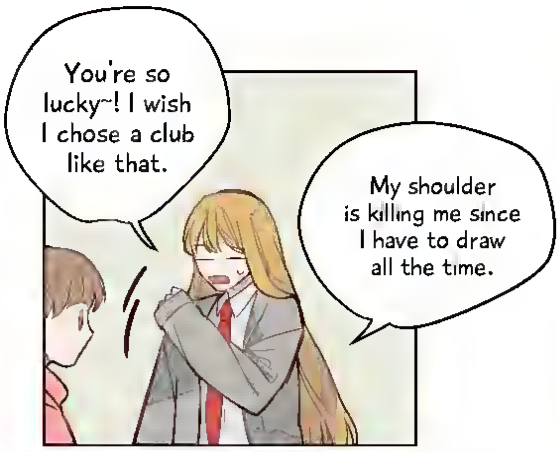


Susu, you look so happy right now...
Yeah! The Gardening Club's prez is pretty and fits well with me!!
GOOD!

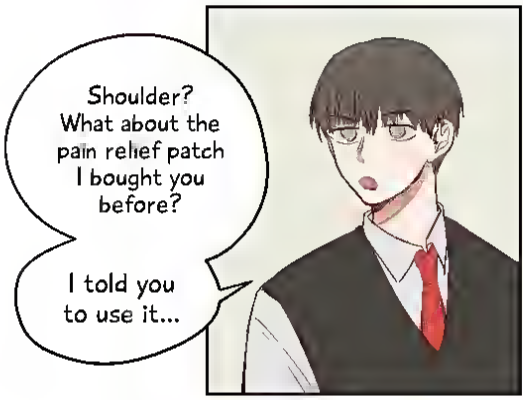
That's it? No other reasons?
In our club, you just have to water the plants!



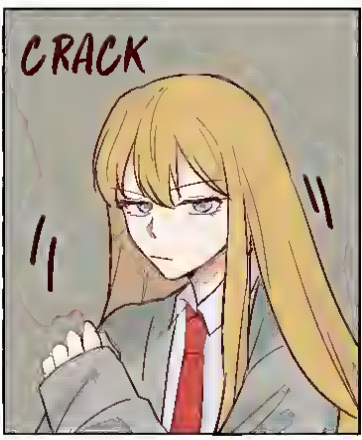
I'm so jealous.
Right?



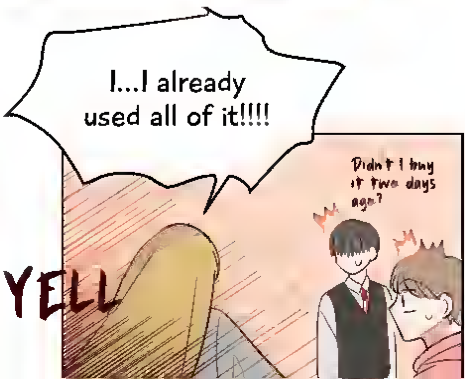
You're so lucky~! I wish I chose a club like that.
My shoulder is killing me since I have to draw all the time.



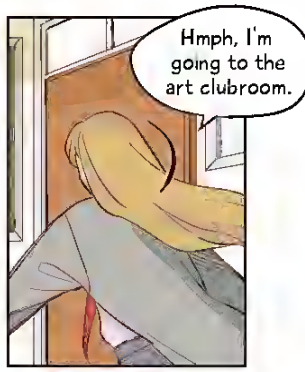
Shoulder? What about the pain relief patch I bought you before?
I told you to use it...



CRACK



I...I already used all of it!!!!
Didn't I buy it two days ago?
YELL



To be continued...
